Sports Premium Spending 2026

TOTAL ALLOCATED £18580 + £3382 carry forward

Has your school spent any of its PE and sport premium grant on CPD?	
£2424	One member of staff has completed swimming training. A small amount of the EYFS Forest School provision (see below) has been allocated to this heading to recognise the contribution of observing specialist practice during the L2 and L3 Forest School training at Hill End, including associated supply cover and paediatric First Aid.

How much has your school spent on internal school-based extra-curricular opportunities?	
£8387	The Spires partnership ended. £3845 has been allocated to subsidies for sports-related trips, including watching England at Wembley, Go Ape, Ninja Warrior, participation in the Dance Festival, and two ice-skating classes; £400 has subsidised residential costs. Dance clubs total £1374, and Elite Sport clubs total £3168.

How much has your school spent on internal equipment and resources?	
£1837	This has included balls, a replacement football kit, and various items for active playtimes including a go-kart. £700 has been allocated to resources to support the development of a scooter track paid for by a local councillor. Additional investment has been made in physical activities within the sensory room. (£800)

How much has your school spent on external activities organised by School Games organiser network?	
£500	This includes cover costs for attendance at events at Oxford Academy. These have been largely football led. Children have also participated in a cross-country race at Oxford Spires.

How much has your school spent on external - other internal school sports competitions?	
£1500	There have been fewer events due to the closure of the Spires partnership which all classes used to attend. This is cover costs for attendance at football tournaments etc.

£1500 has been allocated towards an additional swimming teacher, to provide catch-up sessions for Year 5 pupils.

Swimming	
66% of children met ARE for swimming standards	We have reviewed the “catch up” swimming being targeted at Year 6 pupils, as swimming teachers reported that after a year’s gap, children needed to learn from the beginning again. From this year forward, swimming catch up has been targeted at Year 5 pupils (ie carrying on from where they left off the previous term). This has been more successful with a rise from 54 previous years.

TOTAL SPENT: £16,148

Sports Premium funding will end as of December 2026. The carry-forward remains intact and will be used to fund continuation of sports activities into the Spring and Summer terms 2027.
